Promoting Excellence in Clinical Practice

## New launch: AMI Online - the new standard for live content.

We are delighted to announce the launch of AMI Online, Allergan Medical Institute®'s new live webcasting service.

### AMI Online is the new standard for live content:

Broadcasts, live streams and virtual events hosted by internationally renowned external experts.

Enhanced interactivity and participation bring you closer to the content.

Email reminders provide you direct access to your chosen broadcasts.

"One Click" login provides quick, easy browsing of scheduled live presentations and broadcasts.

**To set-up your AMI Online account,  
please contact your local Sales Representative.**

**Please note:** Access to live streams provided by AMI Online are via invitation ONLY. You have been invited to access AMI Online as a customer of AbbVie and as a verified healthcare provider. If any of your colleagues who have not been granted access to AMI Online are interested in registering, please ask them to contact their local AbbVie Sales Representative for more information.

Adverse events should be reported to your local regulatory authority and Allergan office at [safety.netherlands@allergan.com](mailto:safety.netherlands@allergan.com) or +32 479 423 297
